**This program for free produce is working well. We believe this one is good for everyone and we will continue.**

**We are in partners with Feeding SD & a local farmer who is supplying produce to the pantry. Even tho our clients are only allowed the use of the pantry once a month ... they can come in EVERY Tues for the produce. No limits. (within reason)**

**We occasionally have more left over so if you know of ANYONE WHO CAN USE THE PANTRY....**

**Direct them our way.**

**Please spread the word that by 4 o'clock each Tuesday, we would like to give away all the produce so we don't have to throw it away.**

**If you would like some veggies or know someone else who could use some, please stop by.**

**We have also been getting veggies & eggs from other farmers & gardeners so we have a lot of produce each week.**

**We are also getting produce from Mayfield colony. So far only cucumbers but they bring a lot when they come in. The past few years they also brought in melons corn & other veggies... even pumpkins in the fall**

**SO EVEN IF YOU DON'T USE THE PANTRY, YOU ARE WELCOME TO COME CHECK OUT THE PRODUCE. WE LIKE TO GIVE THE FIRST HOUR TO OUR CLIENTS BUT FROM 2 TO 4 WE WELCOME ALL WHO WOULD LIKE SOME PRODUCE. TELL YOUR FRIENDS NEIGHBORS FAMILY & IF YOU KNOW SOMEONE WHO IS A SHUT IN PLEASE BRING THEM SOME TOO.**
